Numbers of houses had been torn down, and their occupants thus turned out into the open air to suffer the rigors of the past severe winter. Among those sufferers was one woman who was entirely without a protector, and with three little children-one of them a nursing infant. The houses occupied by Judge Stiles and Thomas S. As a spring or summer medicine we would recommend Dr. J. HOSTETT-ER's celebrated Stomach Bitters above all others. Its strengthening, and invigorating effect upon a debilitated system is truly astonishing. Its tonic action on the liver, its tendency to drive Shaving boxes soap, strops, compasses, watchall humors to the surface, thereby clean- chains, keys, toys, sing the system from all impurities, is what has gained for these Bitters such an enviable reputation, inasmuch as they are pleasant to the taste even as a sale by druggists generally.
